

# Stow City Center

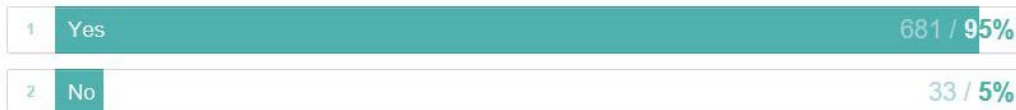

## SURVEY RESULTS

A community survey was conducted from April 7th through May 1st, 2018 to assess appetite for particular features and strategies related to an urban, mixed-use redevelopment of portions of the Stow City Center site. The survey was conducted on-line, in paper form, and coincided with Stow Monroe Falls Community Showcase. The survey had a total of 716 responses.

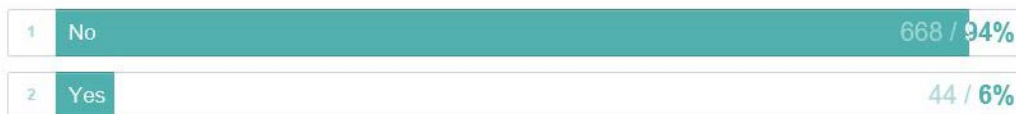

### 1. Are you a resident of the City of Stow?

714 out of 716 people answered this question

### 2. Do you own a business in the City of Stow?

712 out of 716 people answered this question

715 out of 716 people answered this question

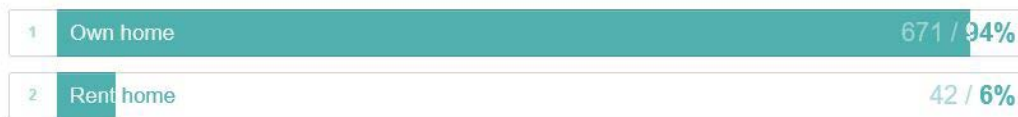

### 4. Which of the following best describes you:

698 out of 716 people answered this question

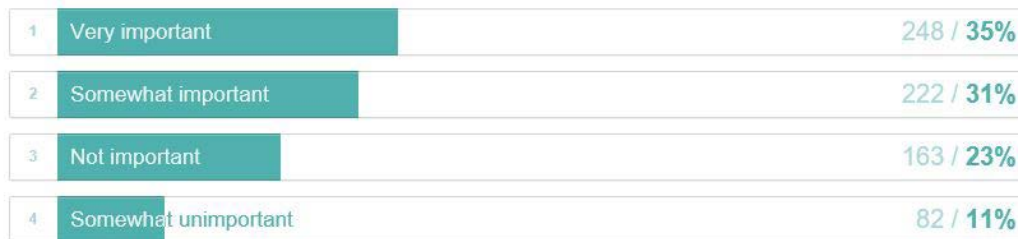

**5. Do you own your home or rent?**

713 out of 716 people answered this question

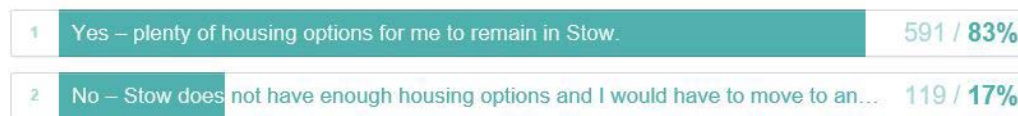

**6. How much of a priority to you and your family is a downtown development on the City Center property?**

715 out of 716 people answered this question

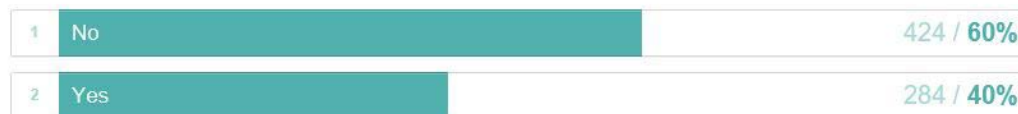

**7. Do you think there are enough housing choices in Stow for you to be able to “up-size” or “down-size” through your life stages without having to leave Stow?**

710 out of 716 people answered this question

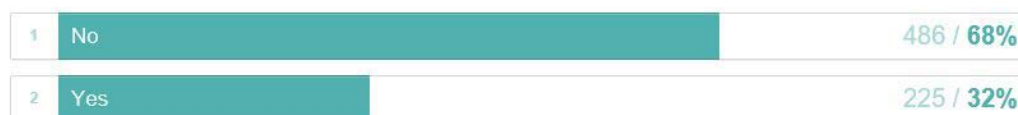

**8. Do you think Stow needs to offer additional housing options to attract young professionals?**

708 out of 716 people answered this question

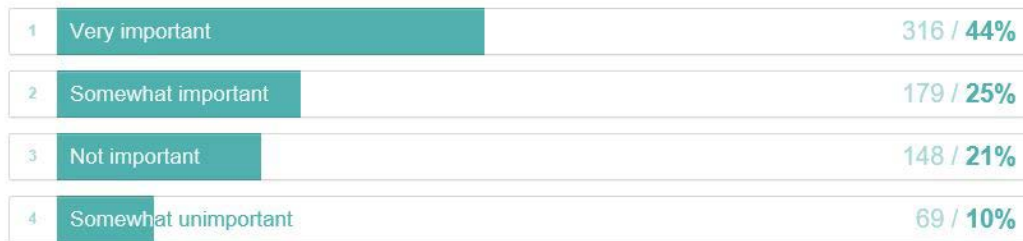

**9. Do you think Stow needs to offer additional housing options to attract empty-nesters?**

711 out of 716 people answered this question

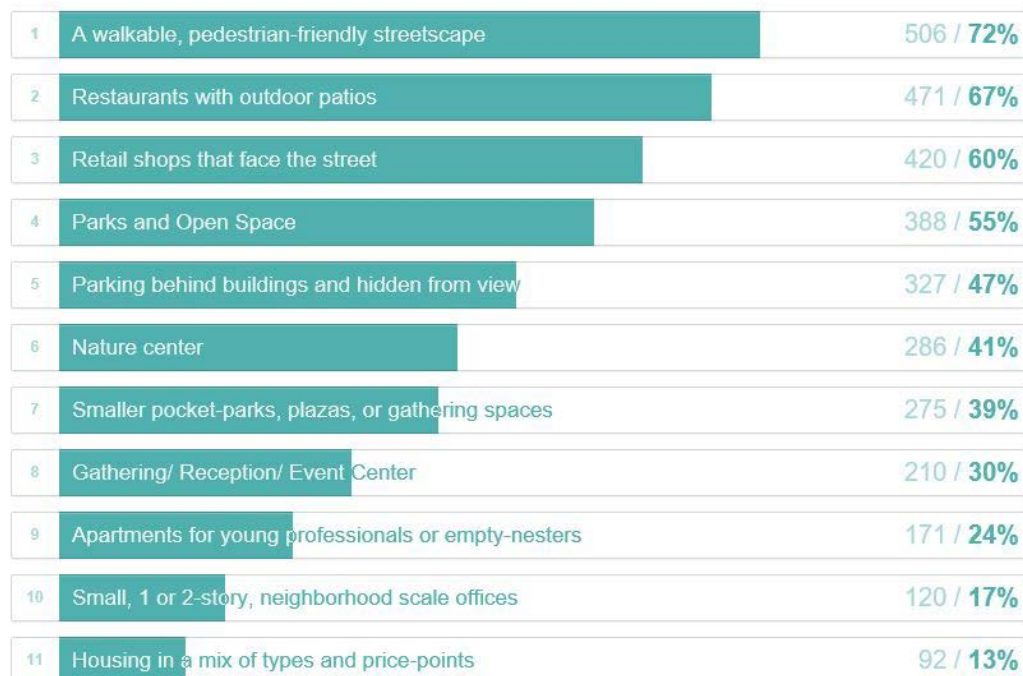

**10.** How important to you is it that the City consider the development of the City Center into a walkable mixed-use environment?

712 out of 716 people answered this question

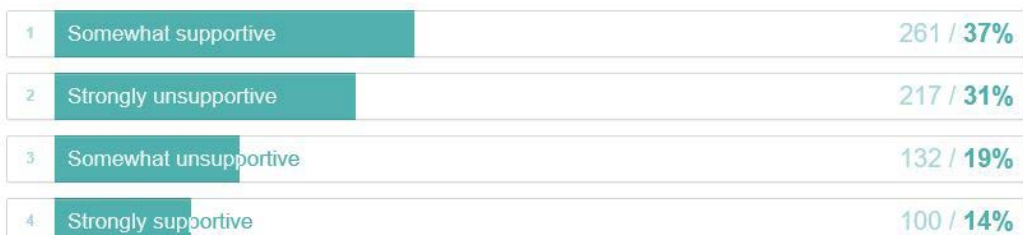

**11.** Which of the following land uses should be included in a walkable, mixed-use environment? (choose all that apply)

701 out of 716 people answered this question

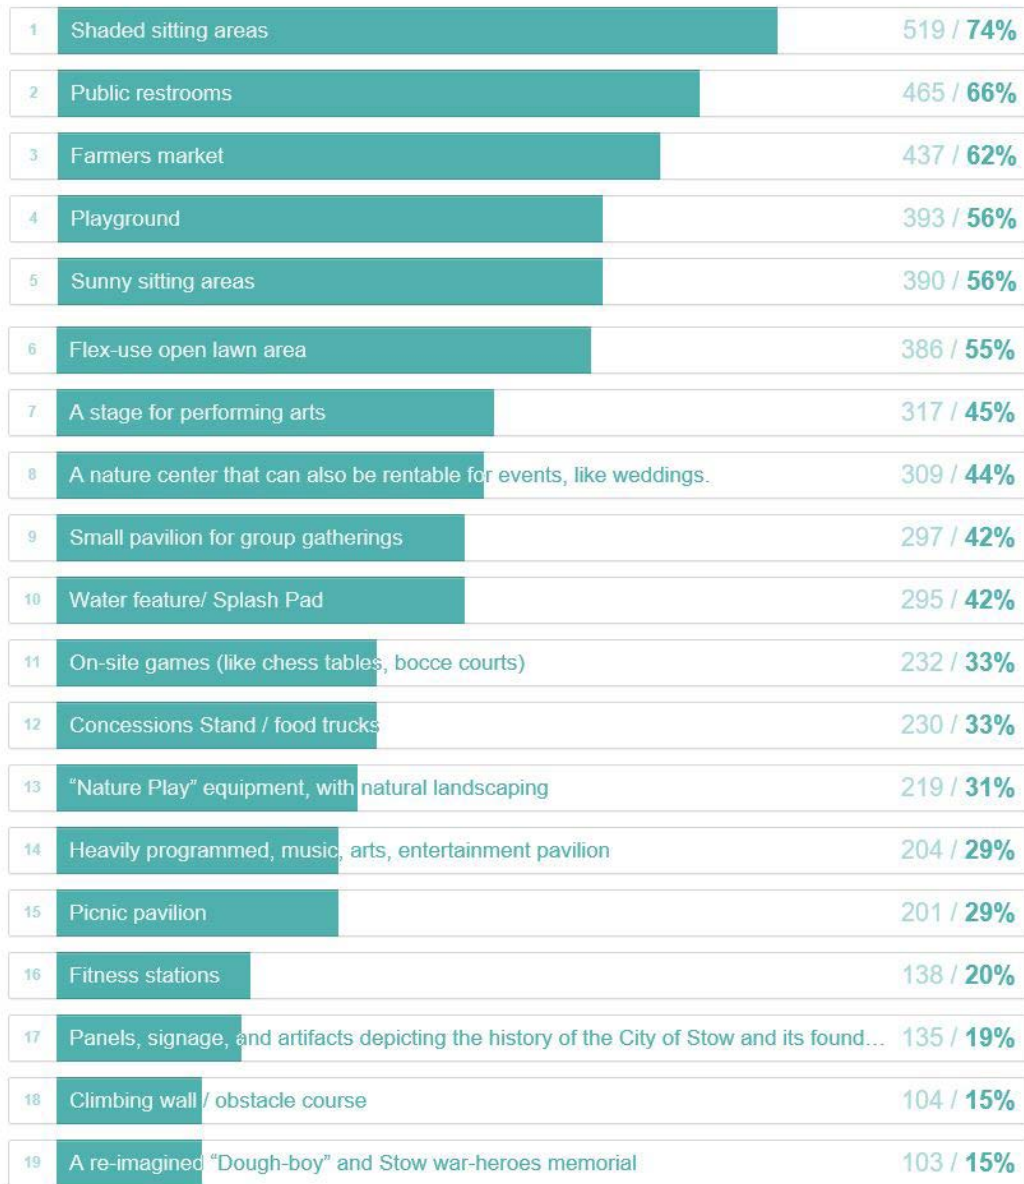

**12.** Multifamily residential may be a necessary part of a mixed-use City Center Redevelopment plan for economic and marketing reasons. With this in mind, would you support multifamily residential (ie. Apartments, townhomes) as a component of a mixed-use, walkable environment?

710 out of 716 people answered this question

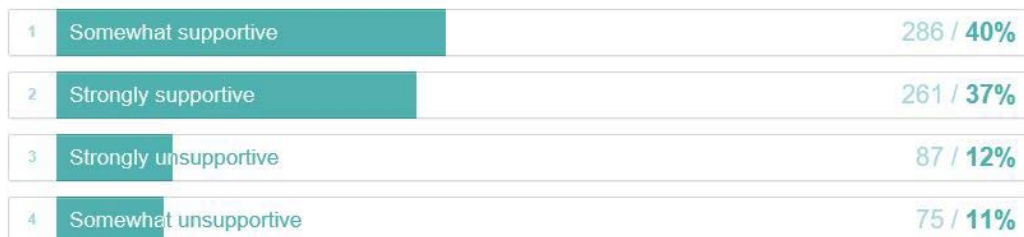

**13. What public amenities and activities do you think should be included in the City Center development? (Choose all that apply)**

700 out of 716 people answered this question

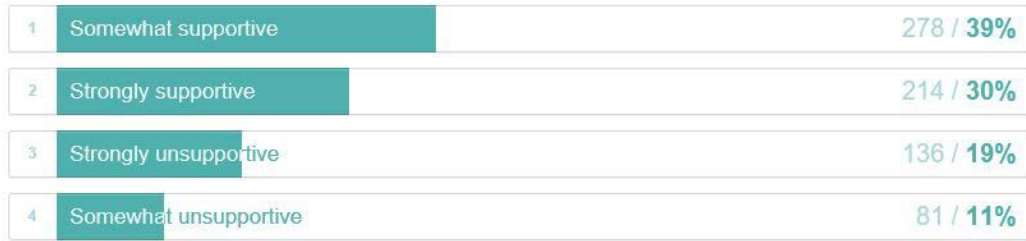

**14. Would you support the relocation of the Senior Center if it were improved and expanded?**

709 out of 716 people answered this question

**15.** Would you be supportive of the City entering into a public-private-partnership in the redevelopment of the City Center site?

709 out of 716 people answered this question

**16.** What economic development incentives would you support to facilitate the redevelopment of the City Center site?

698 out of 716 people answered this question

**17.** Would you support further safety enhancements for both pedestrians and vehicles at the intersection of Graham and Darrow?

713 out of 716 people answered this question

- 18.** The “Sanctoretum” is the woodlands area behind the Service Center building, that includes the Akron General Wellness Trail that connects from Dirker Blvd to Lillian Drive. Which of the following best describes your thoughts about the Sanctoretum:

690 out of 716 people answered this question

- 19.** If necessary to develop this land, what public financing options would you support? (Check all that apply)

702 out of 716 people answered this question
